Seeking Volunteers

If you have some time to spare and are interested to help, you are the person we need = counters for the collections at all three churches. The present counters have already done it for a year and they need to take a break. Please see Fr. Fred or call the office at 387-5861 for more particulars.

Weekly Intention

For the grace this week to hear and heed God's Word, so that it may bear fruit and yield a plentiful harvest.

From Fr. Fred:

The Secret

I met God in the morning
When my day was at its best,
And his presence came like sunrise,
Like a glory in my breast.

All day long the Presence lingered,
All day long he stayed with me,
And we sailed in perfect calmness
O'er a very troubled sea.

So I think I know the secret.
Learned from many a troubled way:
You must seek him in the morning
If you want him through the day.

Quote of the Week

"True peace is not merely the absence of tension; it is the presence of justice."

- Martin Luther King, Jr.

Just for Fun

Age is a funny thing. We tend to think of ourselves as much younger than we really are. Even when we look in a mirror we often see what we want to see rather than what is really there.

One day a lady visiting her dentist at the Health Care Facility was intrigued by the new dentist who had just joined the group. He looked like someone she had gone to school with. But she thought it couldn't possibly be him. He was much too old. His face had many wrinkles and the little hair he had was completely gray. When she saw his name tag, however, she knew it had to be him.

An opportunity arose to speak to him. Smiling she said: "You know, Doctor, I'm sure you and I were at South Shore Regional High School at the same time!" He appeared interested and said: "No kidding. What did you teach?"
