**From Fr. Fred:**

**The Secret**

I met God in the morning  
 When my day was at its best.  
 And His presence came like sunrise,  
 Like a glory in my breast.  
 All day long the Presence lingered,  
 All day long He stayed with me.  
 And we sailed with perfect calmness  
 O'er a very troubled sea.  
 So I think I know the secret.  
 Learned from many a troubled way:  
 You must seek Him in the morning  
 If you want him through the day.

**Quote of the week:**

*"The light of holy contemplation enlarges and expands the mind in God until it stands above the world.*

*In fact, the soul that sees God rises even above itself, and as it is drawn upward in God's light, all its inner powers unfold.*

*Then when it looks downward from above, it sees how small everything really is that was beyond its grasp before."*

- St. Gregory the Great

**Just for Fun:**

One Saturday, a man was trying to get his car started, but couldn't quite get it going. As his wife passed by she asked him what he was doing and he told her. She said: "Your license plate is loose." Ignoring her, he continued to try but got nowhere. As he stood there frustrated, he saw that the license plate was indeed loose, so he tightened it. On the next try, to his surprise, the car started.

Later that day he was helping his wife with the housework, vacuuming downstairs while she dusted upstairs. Suddenly the vacuum stopped. It was still plugged in, but wouldn't start. He hollered upstairs: "The vacuum stopped and I can't get it started." She hollered back: "Change your shoes." Now he was totally confused, but he remembered the car, so he reluctantly changed his shoes. The vacuum still wouldn't start. Now he actually walked upstairs and said to his wife. "I changed my shoes like you said, and it still won't start." She replied: "Oh, for goodness sakes! I said: 'Change your fuse!'"

**PARISH BOOK CLUB MEETING:**

Please join us on **Thursday, June 25th** from **7-8 PM** at **Our Lady of the Valley** for an hour of lively discussion and fellowship. For our June meeting, Deacon Richard Anderberg has selected **THE CHURCH OF MERCY** (Loyola Press, 2014, 168 pages, available in Kindle, paperback, hardback and audio platforms) **by Pope Francis I**. What better way to prepare for the Year of Mercy than to gain insight into Pope Francis' thoughts on its relevance in modern times?

*"Refreshingly humane, focusing on people rather than institutions. Admirers of Francis and students of church history alike will find this a useful introduction to the pontiff's thought."*
