For the grace this week to live our lives in faithful devotion to the Bridegroom.

It's that time of year for the 2018 Offertory Envelopes. Please pick up your boxes in the back of the church. If you do not already have Offertory Envelopes and wish to start, please fill out the sign up sheet and we will send you a box.

Next week, the second collection will be for the Catholic Campaign for Human Development. Over 46 million people in the United States live in poverty. This collection supports programs to empower people to identify and address the obstacles they face as they work to lift themselves out of poverty. By supporting this collection you give people a hand up, not a hand out. Learn more about the Catholic Campaign for Human Development at www.usccb.org/cchd/collection.

From Fr. Fred:

Heaven's Very Special Child by Edna Massimilla

A meeting was held, quite far from earth
"It's time again for another birth"
Said the Angels to the Lord above,
"This special child will need much
love."

Her progress may seem very slow,
Accomplishments she may not show
And she'll require extra care
From all the folks she meets down
there.

She may not run or laugh or play
Her thoughts may seem quite far away
In many ways she won't adapt,
And she'll be known as handicapped.
So let's be careful where she's sent
We want her life to be content
Please, Lord, find the right parents who
Will do this special job for You.

They will not realize right away
The leading role they're asked to play
But with this child sent from above
Comes stronger faith and richer love.
And soon they'll know the privilege
given
In caring for this gift from Heaven.
Their precious charge, so meek and
mild.

Is heaven's very special child.

Just for Fun:

Jesus' Report Card

ORATORY AND PUBLIC SPEAKING: Has trouble expressing himself clearly. Always talks in parables.

MATHEMATICS: Seems to have trouble with it, except for multiplying bread and fish. As far as addition is concerned, he says that the Father and he are one.

WRITING: Always forgets to bring his note books. Ends up having to write in the dust.

CHEMISTRY: Doesn't do the required experiments. When no one is looking he changes water into wine.

SPORTS: Never learned to swim like the others. Walks on the water instead.

SUMMARY: Because of this he's going to have to miss the Easter vacation.

Quote of the week:

"We need to implore Jesus' grace daily, asking him to open our cold hearts and shake up our lukewarm and superficial existence."

Pope Francis
